To whom it may concern , please consider this recommendation as a willful testimony of my knowledge of the capabilities and qualifications of the ownership and management of D Scales Construction.

We live at 7921 Date Palm Ct , Bakersfield Ca 93308 .

It is my understanding that than not only did Dan Scales facilitate the construction on our home but many of the other homes in this prestigious community. Our home is over 5,400 square feet of living space with many custom amenities including custom granite and tile through out much of the home . The cabinetry and wood work are of first quality as is the layout and design !

Fit and finish with regards to quality control was exceedingly top notch as you would expect with such and investment ! Please do not hesitate to contact me with any further questions you may have or details you may need .

Best Regards
